2. Board establishes a voting system whereby a majority of non-related party shareholders approve specific types of related party transactions during shareholders' meetings.	COMPLIANT	In 2017, the Company immediately disclosed the need to secure, and subsequently successfully obtained a waiver on the conduct of a rights or public offering for the issuance of new shares to existing shareholders, by a majority vote of the minority Shareholders during the Annual General Meeting of Shareholders (AGM). The waiver on rights offering was in relation to the proposed issuance of shares for the increase in capital stock of the Company and the proposed issuance of underlying shares as a result of the exercise of the proposed warrants. The Company did not exercise any warrants in CY2023.
